Last Updated: October 22, 2025

Welcome to Xecute. These Terms and Conditions ("Terms") govern your access to and use of the Xecute software-as-a-service platform and any related services (collectively, the "Service"). By creating an account, or by accessing or using the Service, you ("you" or "Customer") agree to be bound by these Terms.

If you are using the Service on behalf of a company or other legal entity, you represent and warrant that you have the authority to bind that entity to these Terms.

## 1. The Service

Xecute offers an innovative software solution integrating AI-driven command execution within Customer Relationship Management (CRM) systems (the "Service"). Our Service is designed to enhance efficiency, streamline workflows, and provide intuitive AI interactions for CRM processes.

## 2. Eligibility and User Accounts

**2.1. Eligibility.** To use the Service, you must be at least 18 years of age and have the legal capacity to enter into a binding contract. By agreeing to these Terms, you represent and warrant that you meet these requirements.

**2.2. Account Registration.** You must provide accurate, current, and complete information during the registration process and keep your account information updated.

**2.3. Account Responsibility.** You are responsible for safeguarding your account password and for all activities that occur under your account. You agree to notify Xecute immediately of any unauthorized account use or security breach. Xecute is not liable for any loss or damage arising from your failure to protect your account.

## 3. Authorization and Customer Data

**3.1. CRM Access.** To use the Service, you must authorize Xecute to access your CRM system(s) and any data, content, or information therein (collectively, "Customer Data") via the necessary API or other integration methods. You grant Xecute a limited, non-exclusive, royalty-free license to access, use, process, and transmit your Customer Data solely for the purpose of providing and improving the Service.

**3.2. Customer Warranties.** You represent and warrant that: (a) You have all necessary rights, consents, and permissions to provide, and grant the rights to, all Customer Data (including any personal information) to Xecute for processing as described in these Terms; (b) Your use of the Service and your Customer Data do not and will not violate any third-party rights (including intellectual property or privacy rights) or any applicable laws or regulations; and (c) Your use of the Service complies with the terms of service of your CRM provider.

## 4. Data Privacy and Security

**4.1. Data Processing.** Xecute is committed to data privacy and security. Our Service involves the processing of Customer Data to execute commands and maintain functionality. You acknowledge and consent to this processing.

**4.2. Data Handling Policy.** (a) **Temporary Caching:** To optimize performance and ensure service continuity during downtime, Xecute may temporarily cache Customer Data in an encrypted state for a period not to exceed thirty (30) days. This data is securely managed, and processing resumes from the point of interruption once service is restored. (b) **No AI Training:** Xecute is strictly prohibited from using any Customer Data for any AI model training, model development, or any analytical purpose not directly related to providing the Service to you. (c) **Security Measures:** We implement and maintain appropriate technical and organizational security measures to protect Customer Data against unauthorized access, loss, or disclosure. This includes processing data on secure AWS servers and ensuring that Customer Data is not accessible by Xecute personnel or third parties, except as required by law or to provide the Service.

**4.3. Data Protection Laws.** Both parties agree to comply with all applicable data protection laws and regulations (e.g., GDPR, CCPA). For the purposes of such laws, you are the "data controller" and Xecute is the "data processor" of any personal data contained within your Customer Data.

## 5. Fees, Payment, and Subscription

**5.1. Subscription Fees.** Access to the Service may require the payment of subscription fees ("Fees"). All Fees are set forth on our website or in a separate order form. Fees are payable in U.S. Dollars and are non-refundable, except as required by law.

**5.2. Payment and Auto-Renewal.** You must provide a valid payment method. You authorize Xecute to charge your payment method for your chosen subscription (e.g., monthly, annually). **Your subscription will automatically renew for successive terms of the same duration unless you cancel your subscription through your account settings or by contacting us prior to the end of the then-current term.**

**5.3. Late Payments.** Overdue Fees may be subject to a finance charge of 1.5% per month on the unpaid balance, or the maximum rate permitted by law, whichever is lower. Xecute may suspend or terminate your access to the Service for non-payment.

**5.4. Taxes.** All Fees are exclusive of taxes. You are responsible for paying all applicable sales, use, and other taxes, excluding taxes based on Xecute's net income.

Xecute reserves the right to investigate any suspected violation of this policy.

## **7. Intellectual Property**
